SAYS IT HURTS SALE

Home Prescription Ruins Sale of Patent Medicines.

RELIEVES THE WORST CASES

Directions For Mixing At Home Makes the Kidneys Act Properly And Overcomes Chronic Cases of Rheumatism and Urinary Weakness.

To make up enough of the "vegetable treatment" which is claimed to be relieving nearly every sufferer who uses it for backache, kidney complaint, sore weak bladder and rheumatism, get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon and three ounces Compound Syrup of Sarsaparilla. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

Those who have tried it claim that it acts gently but thoroughly on the kidneys, relieving backache and bladder trouble and urinary difficulties almost instantly. Many cases of rheumatism are known to have been relieved within a few days, the pain and swelling diminishing with each dose.

A well-known local druggist, who is in a position to know, asserts that this prescription, wherever it becomes known, always ruins the sale of the numerous patent medicine rheumatism cures, kidney cures, etc. It is a prescription which the majority of patent medicine manufacturers, and even certain physicians dislike to see published. Few cases, indeed, which will fail to fully yield to its peculiarly soothing and healing influence. Being composed of common every-day vegetable ingredients, which can be gotten from any druggist, it makes up a good honest and harmless remedy and at small cost.

LISTEN

and remember the next time you suffer from pain—caused by damp weather—when your head nearly bursts from neuralgia—try Ballard's Snow Liniment. It will cure you. A prominent business man of Hempstead, Texas, writes: "I have used your liniment. Previous to using it I was a great sufferer from rheumatism and neuralgia. I am pleased to say that now I am free from these complaints. I am sure I owe this to your liniment." For sale at Hart's drug store.
